

Spikes Volleyball Leauges

We want to welcome everyone back to another season at Spikes! The place still looks the same for the most part, however operations are very different. Please be patient with us over the next few weeks while we are under mandatory regulations made by the state.

Here are just a few things we need you to do to help us out during this time.....

Please stop at the host stand for choice of seating. Everyone that enters, must have a seat, unless only entering at their team's start time, and leaving immediately after. This is because we are still under capacity restraints. The seats we have provided correlate to our capacity. There is currently no room for standing in groups, anywhere.

Do Not move tables and chairs, we cannot seat groups larger than 6. If you are ordering food, please stay at the table where you order the food. All food will be dropped at the table **where you ordered it from**.

Observe social distancing in lines and dining areas out of respect for other customers.

Keep personal towels in gym bags while not in use. **Please Do Not drape towels on chairs, tables or other surfaces**.

Thank you for understanding and we look forward to a great season,

Scott, Tish & Staff
